## DEAR FRIENDS,

Like so many of you, we had hoped that once 2020 was gone, so were all the obstacles that came along with the pandemic. However, 2021 actually turned out to be one of the most challenging of years for us at Lenawee Humane Society. We worked long days, crazy weeks, short staffed and even had to halt on animal intakes for a bit, due to minimal staffing. Some of our goals

had to be moved to 2022. We shifted and adjusted our focus to match our reality. With determination, dedication, faith, hope and love we got through the year and saved many lives in the process.

It is with the sincerest of gratitude that we thank you for cheering us on, believing in us and supporting our mission with your time, your talent and your treasure. It is because of you that we hold our head up high and look forward to a very successful new year. We can't wait to see all the good things 2022 will bring and we look forward to sharing these accomplishments with you.

With much gratitude  
on behalf of all of our  
furry friends,

Marcie Cornell  
Executive Director
